**Columbia Villages
Master Gardeners Programs
2009-2010**

The Villages of Columbia are going Green!

The Columbia Villages and the Howard County Master Gardener Program have joined together to promote safe, effective, and sustainable horticultural practices that build healthy gardens, landscapes, and communities. A series of sponsored presentations are underway!

FREE, advanced registration is recommended, but not required with the appropriate Village. A list of Villages, their locations, and contact information can be found at www.columbiavillages.org

For more information call 410-730-4610 or email omca@columbiavillages.org.

MASTER GARDENERS PROGRAMS AT OAKLAND MILLS THE OTHER BARN

FESCUE LAWN

Wednesday, March 10, 2010, 7pm

The lawn supported in the presentation will be a bay-friendly lawn. Covered topics include soil preparation and testing, choosing correct seed, fertilizers watering, mowing, thatch, weed and disease control. A beautiful lawn will be yours without adding to the pollution of the Chesapeake Bay.

NATIVE PLANTS IN THE HOME LANDSCAPE

Wednesday, April 7, 2010, 7pm

Find out what native plants are, the benefits to both the gardener and the environment, and the concept of "right place, right time."

WHY AND HOW TO USE RAINWATER— A RAIN BARREL WORKSHOP

Saturday, April 24, 2010, 10am

INTEGRATED PEST MANAGEMENT

Wednesday, May 12, 2010, 7pm

Learn more about good bugs and bad bugs and the effect of their interactions on our gardens.
