Oakland Mills Community Meeting on Proposed Tree Planting Sites

Tuesday, February 28, 2012
7:30 p.m.

The Oakland Mills board will host a community meeting with John McCoy, CA's Watershed Manager. The purpose is to discuss potential CA open space sites that have been designated for "tree planting." Tree plantings will reduce the acreage of CA's mowing and protect the watershed.

We need your input to determine if the community supports these sites for tree plantings or suggests other green alternatives to protect our watershed. This meeting pertains to all Oakland Mills neighborhoods. Please join us.
