

ORGANIZING, ENHANCING AND SHARING YOUR DIGITAL PHOTOGRAPHS

Monday, April 12 & 19, 2010

6:00 pm-8:30 pm at The Other Barn

Instructor: Rick Hildenbrand, Ph.D.

Cost: \$30 per person; \$3 for materials

This 5 hour course will help you increase your enjoyment of the countless photos you've taken with digital cameras. Using some free software tools available on the web, you will learn how to organize and manage your photos, enhance your photos using easy-to-use tools and share your enhanced photos by creating web albums, photo books and more.

Participants must bring a laptop computer with wireless internet access capability for use in the class.

Space is limited! Register today at **The Other Barn** or call 410-730-4610. Please give your email address when registering
